AMBITION/VISION

To advance, teach and offer healthcare in Kenya and all over the world.

CAREER OBJECTIVE

To be in a position where I can give competent management to patients and improve health care for all and nurture young clinicians into the Medical Profession.

WORKING EXPERIENCE

2010 up to date:

- Working at Masinde Muliro University of Science and Technology in Kakamega County where I was appointed as the In-charge of University Health Services department to manage the daily activities of the facility since July 2023.

- I am also a member of the University Management Board where I participate in decision making concerning university activities and give advice in regards to health matters in the entire university.
- Member of the Aids Control Unit [A.C.U] committee of Masinde Muliro University since 2014 where we organize and implement projects that deal with HIV/AIDs at the university
- Part-time Lecturer/clinical instructor at Masinde Muliro University of Science and Technology in the School of Public Health and Biomedical Sciences Technology (SPHBST) in the Department of Health Professions Education where I lecture clinical medicine students in different units in their course.
- Part-time lecturer at St. Mary's Mumias School of Clinical Medicine
- I also guide and Assess students of Kenya medical training college (KMTC) and Masinde Muliro University (MMUST) at their clinical placements at Kakamega County Teaching and Referral Hospital during their rotations in the wards and final qualifying clinical assessment exams.

2020 – 2022

- Member of MMUST COVID-19 Rapid Response Team, in-charge of case management of Covid-19 victims.

06/12/2019

- Participated in conducting interviews for Kakamega County Bachelors Clinical Officers held on the as a technical panelist with the Kakamega County Public Service Board.

2009-2010:

- Worked at Tanaka Nursing Home in Busia [Kenya] as a clinical officer where I did ward rounds, treated both inpatient and outpatient and performed minor surgeries.

2008-2009:

- Worked at Kakamega County General Hospital as a clinical officer intern where I attended major ward rounds and major surgeries in medicine, paediatrics, obstetrics/ gynecology and surgery, managed and treated both inpatient and outpatient and performed minor surgeries.
